CLEAN & POLISH AS22

ID Product Code 044

Pag. 1

CLEAN & POLISH FOR MARBLE AND GRANITE

Easy cleaning and maintenance of marble, granite, stones floors, with antislip additive.

Product description:

AS22 is the ideal product for the daily maintenance of marble, granite and stones floors. It is excellent for "quick" maintenance of floors as its exclusive formula combines the cleaning and polishing actions. L&L enhances color and shine of the floors, protects them from finger prints and marks from daily foot traffic. It contains a special antislip additive, it reduces but does not eliminate the slipperiness of floors, it is resistant to washing with normal detergents. AS22 reduces the slipperiness of dry floors. Since this is a maintenance product, it does not comply with any standards in the field of slipperiness.

It can be used with floor scrubbing machine for the daily maintenance of supermarkets, cinemas, shopping centers, airports floors etc.

Chemical characteristics:

Appearance	Liquid
Color	Opalescent white
Odor	Lavender perfume
Specific gravity at 20° C (68° F)	1,00 ± 0,02
Hydro-solubility	Soluble at every ratio
pH	9,00 ± 0,02
Shelf life at 20°C (68° F)	24 months in original container

Instruction for use

Small areas:

Regular maintenance of floors: Dilute 30 (1 fl. oz.) ml in 1 liter (1 quart) of lukewarm water; wash with mop, cloth, wax spreader fleece or brush. No need to rinse.

Large areas:

For use with a floor scrubbing machine: Dilute 20 ml (0,67 fl. oz.) in a liter (1 quart) of water directly into the machine tank and wash the floor.

Application tools

Mop

Fleece

 Automatic washing /
 floor scrubbing machine

Suggestion for use and recommendations:

Above suggested dilution are susceptible of modification depending on the surface type and the traffic it is subjected to.

- After use of AS22, it is not necessary to proceed to floor polishing. In case you prefer to do it, this operation can be done with a common floor polishing machine.
